

**FOOTHILLS ACOUSTIC MUSIC INSTITUTE  
KAMP KIWANIS, BRAGG CREEK ALBERTA**

We are confident that your attendance and participation at this event will be enhanced by taking notice of the information below.

- 1. Accommodations:** Room allocation is on a first registered and compatibility basis. Kamp Kiwanis is a children's camp and as such accommodations are dormitory style with rooms sleeping from 3 to 10 people. We cannot guarantee private rooms for individuals or couples. Since the rooms are shared accommodation register early as a group if you want to ensure you know your room mates.

Camping is also available in a non designated field with a central power pole for electrical hook-up so bring a long extension cord. There are **NO** water or sewer hook-ups so ensure your fresh water tanks are full and your grey water tanks empty. Washrooms with showers are located in the lodges, house or near the cabins.

**Food:** Healthy and hearty meals are served three times per day on **Day 2** and **3** and twice on **final day** of the camp. Evening snacks are also provided. A travelers' supper of soup and sandwiches or stew are provided on the evening of **Day 1**.

**Bring:** Clothing to match a variety of weather conditions – after all it is Calgary. One can expect sun, cloud, rain and even snow during our camps so be prepared. Bedding is **NOT** provided so bring a sleeping bag, sheets, blankets and pillows along with your personal needs and towels. Other things that may be worthwhile to bring are ear plugs (for sleeping), a three ring binder for class notes, your instrument, extra strings, tape recorder, tab/music paper and perhaps a camera to record forever those precious memories.

- 2. Bursary Fund:** FAMI has started a Bursary Fund to make camp more affordable for participants who need some financial help. FAMI has provided an initial contribution to get the fund started and our hope is that it will be supported by tax-deductible donations. As a Registered Charity FAMI is able to provide tax receipts for contributions \$25.00 and over. If you are interested in obtaining financial help from this fund please contact the Registrar at [registrations@fami.ca](mailto:registrations@fami.ca) Our thanks to supporters.

- 3. Volunteers:** This camp works on a hostel-like style. We all chip in some energy to make the camp flow. For instance - our camp participants set the tables and chairs for concerts and dinner, clean up our own rooms when we leave and make sure that we take time to jam, listen, snack, relax and enjoy. When we all take part, the load is not too onerous on anyone.

**A list of jobs, complete with job codes, is attached to this registration package.** Please take a look and see if there is a spot for you to help us make this camp great. Simply transfer the job code, for the tasks you are willing to help with, to the appropriate box on the Registration Form.

- 4. Mugs:** We encourage our attendees to bring and use their own mug for drinks. If you don't have your own mug there is a limited supply of Tim Horton's mugs or stainless steel FAMI commemorative mug for sale at the check in desk (while quantities last).

5. **FAMI / Kamp Kiwanis Camp Policies:** There are very few rules but participants should be aware of the following:

- **Children** under the age of 18 **must be** accompanied by a parent or guardian who is also registered in one of the offered classes.
- The camp is a drug free environment
- Kamp Kiwanis is a non smoking facility – smoking is not permitted in any building. Smoking is allowed in designated areas – use proper receptacles when you butt out.
- **No Pets**
- **No Guests** – due to limited space and the popularity of this camp we cannot accommodate individuals who are not registered in a class.
- The use of amplifiers is **NOT** allowed with the exception of amplifiers for “slim line” stand-up basses. Please do not bring amps for any other instruments (acoustic fretted basses, acoustic guitars, keyboards, electric bass or guitars etc.) as we will not allow them to be used.

7. **The Bulletin Board:** This is located in the main lodge dining area to the left of the stage, and is the information center of camp. Check here for workshop lists, sign-ups for concerts, lost and found, and other notices. A map of the camp is on the bulletin board. If a problem exists, note it on the board and it will be attended to.

8. **Jamming:** Locations, time limits and theme information is posted on the bulletin board. Don’t be hesitant to join the jam. Jamming etiquette sheets are by the bulletin

board and the facilitated Slo Pitch Jam for new players is upstairs in Room 17. Please adhere to the hours of the jams located on each building. These times have been set to allow our participants to sleep if they wish to.

9. **Workshops:** Workshop information is posted on the bulletin board. If you want one, have a question or want to present one – that is the place to focus on.
10. **Garbage and recycling:** Containers are at each venue of the camp. Please use these containers to help us keep the camp clean.
11. **Announcements** are made at most meals – if you have one that needs to be made, please leave a written message on the bulletin board.
12. **Chairs and other furniture** are often moved to facilitate jams, classes and so on. If you move something, put it back before you leave.
13. **Name Tags:** Please wear at **ALL TIMES**. They help us identify who should and should not be here. We do not facilitate drop-ins and therefore those without name-tags should not be here. The name-tags also serve the purpose of helping us meet folks and to assist instructors in getting to know their students.
14. **Coffee** is prepared late each night by volunteers and is 'usually' ready about 6:30 am. As we use about 200 cups of coffee before the breakfast is over, fill your mugs **half full** to help us ensure that others get a cup while new coffee is being brewed. Mike MacLeod of the Acoustic Guitar Store supplies coffee free to the camp. Thanks, Mike!
15. **Acoustic Guitar Shop:** The Acoustic Guitar Shop has been a supporter of the FAMI camps for many years. Mike MacLeod, owner of the **AG**, supplies coffee and the sound system used for the main stage concerts free of charge. Mike also brings out a variety of instruments and accessories (picks, strings, capos, music books, tuners, etc.) and sets up shop in the Pump House. Minor repairs and adjustments can be accommodated. Drop by, say hello and browse through his shop.

# KAMP KIWANIS LAYOUT

# FAMI Jam Etiquette

## WHAT IS A JAM AND WHAT IS JAM ETIQUETTE?

At a jam, like-minded musicians gather together to play. Jam Etiquette is a way to interact within a jam session so that everyone can enjoy themselves.

## FIND A JAM THAT SUITS YOU

Be sensitive to whether the level of playing and style of music is suitable for you.

Etiquette can change slightly depending on the style of music. For example, in bluegrass jams players generally play behind the vocalist and wait for a solo break whereas in some old-timey and celtic jams, it is common for several players to play the melody in unison.

So, be aware of the type of jam you are at. If in doubt, watch a while before playing.

## FOLLOW THE LEADER

At facilitated jams the facilitator will ensure that everyone gets a chance to lead a tune and that everyone who wants to gets a chance to solo. At open or non-facilitated jams, this job is shared and you have to work around the circle in an order to ensure everyone gets a chance to play a song.

## SO YOU'RE READY TO PLAY?

Think of good music as being like a conversation. You need to listen first and figure out how to contribute positively and constructively. Some simple rules:

- Tune your instrument.
- Play only at a volume where you can hear the vocalist(s) and the soloist(s).
- Focus on contributing to the song and the experience rather than on playing fast or loud.
- Depending on the jam, it is usually ok to fill in between phrases as long as it is done tastefully. Try not to "noodle" or practice within the jam circle or between songs.

## LEADING A SONG

When it's your turn to lead a song, announce the song name, the key (or capo position), and any unusual aspects of the song (rhythmic or key changes etc). Try to pick a song that fits into the jam and is not so obscure or so difficult that you end up playing by yourself.

Pick a rhythm and stick to it.

Be sure to call solos and include everyone who is jamming.

When you lead a song, you also end it.

---

**Have Fun! Be kind, considerate, and encouraging to your fellow musicians.**
